

Google Android 2.1 OS

Витебск, Беларусь

7" Display 16.9 widescreen 800x400 , High brightness TFT LCD. Google Android OS Operating system. Ram 128 MB DDR2 800 Mhz. It is touch control: Full size touch operation , sliding menu , functional icon dragging. WI-Fi certified network connection . Stereo speakers device , built in micphone. High speed SD card (max. 32 GB) . I purchased this for my school age son and it was not what he was wanting. I have the original box and everything it came with still in the plastic bags.

Цена: **250 \$**
